

## **A free course for the over 50's**

# Get to know your Computer

Could you do with some help using your computer?  
Why not join our free course for the over 50's

At NCHS The Science College, Ostend Place,  
Newcastle-under-Lyme, ST5 2QY  
Starts Monday 30th April, 3.15pm to 4.15pm

No assessments or tests  
Just the help you need

Topics covered will include:

- ◆ Email, setting up, opening, attaching and sending
- ◆ Using the Internet, research, shopping & banking
- ◆ Desk top publishing, creating cards and posters
- ◆ Letter writing and word processing

Plus anything else you want to ask about

**For more information or to book a place contact
