

Terminal Server Help Document – this document contains 2 pages

Do this once:

1. Make sure <https://athome.nchs.staffs.sch.uk> is in your trusted sites to do this

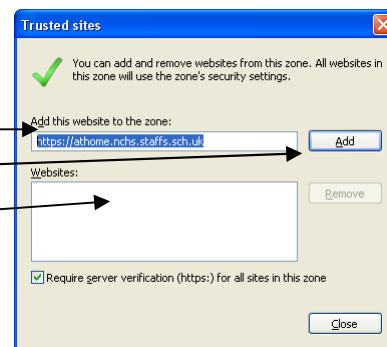

Open internet explorer

Then click

- ❖ Tools
- ❖ internet options
- ❖ Select security
- ❖ Select trusted sites
- ❖ Click sites

- ❖ In “add this website to the zone” type <https://athome.nchs.staffs.sch.uk>
- ❖ Click Add
- ❖ Site will then appear here

Click close then ok to save these settings

Now simply go to our website and load the link to the terminal server, it's under

- >www.nchs.staffs.sch.uk
- >> Web links
- >>> Terminal Server
- >>>> Login
- >>>>>Simply enter your credentials and follow the prompts

You may need to install the Microsoft plug-in the first time you attempt to login it will appear like this;

Simply install it.

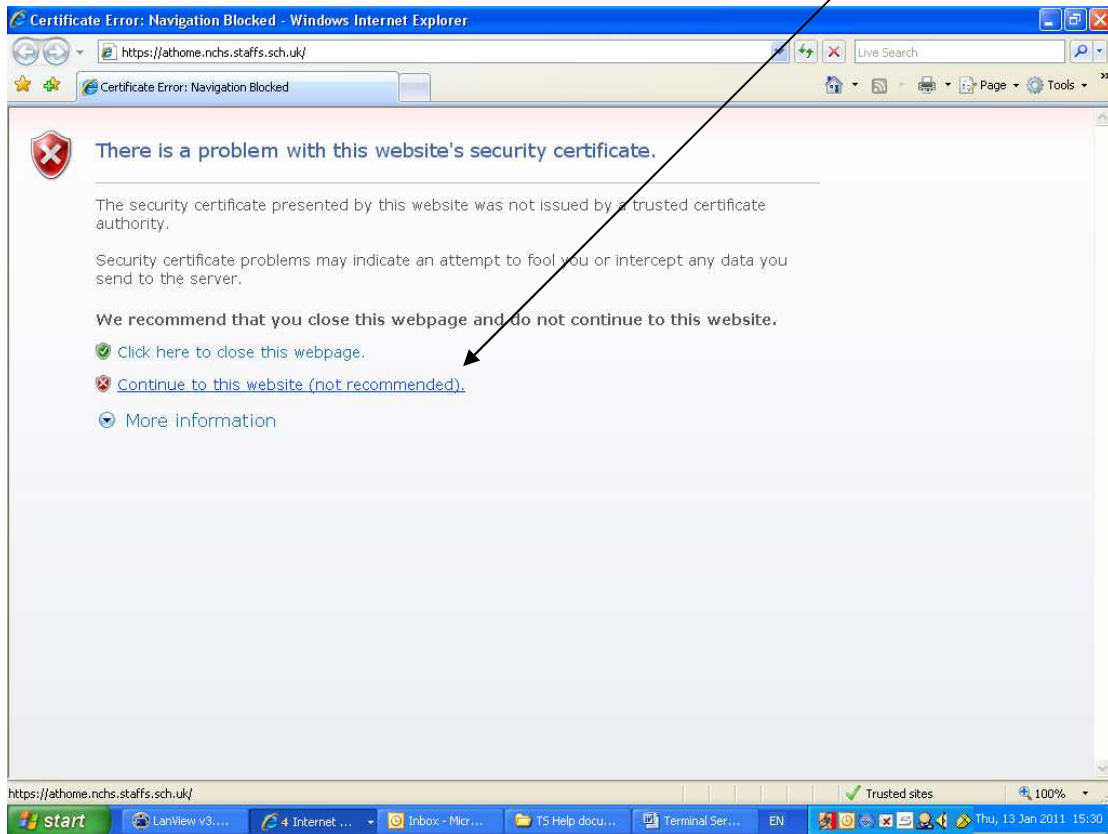

If you wish to manually download the plug-in and install first the link below.

<http://www.nchs.staffs.sch.uk/downloads/WindowsXP-KB925876-x86-ENU.exe>

Depending on your browser version you may see the following page when trying to connect.

Simply select the Continue to this website(not recommended).
